

Zoo Knoxville's Camp Wild 2019

Spring and fall break camps

Wildly Fun!

Cost: \$175/week for annual passholders and Circle of Friends members
\$205/week for non-passholders/non- CoF members

Details: Monday – Friday each week
9:00am to 3:00pm
Bring a sack lunch and snacks, drinks will be provided.

Registration: Advance registration is required. Register online at zooknoxville.org. See camp descriptions below for the registration schedule.

Camps are designed to be age-appropriate. Please do not request to enroll children that are not within the camp's age range. Children with special needs may require a personal chaperone to be provided. All camps are held at Zoo Knoxville rain or shine. Programs fill quickly and are on a first-come, first-serve basis. Registration fees are non-refundable unless the program is canceled by Zoo Knoxville.

If you have questions, please contact zkfamily@zooknoxville.org.

Camp Wild: Spring Break Camp

6-10 Year Olds

Mission Conservation

March 18th-22nd

Registration

Opens February 1st for passholders and CoF members
Opens March 1st for non-passholders and non-CoF members
Closes Wednesday, March 13, 2019

We are on a mission to save the planet! During this week of camp we will be exploring ways your camper can help conserve resources and habitats around us. Campers will get to learn how to up-cycle as they create their own t-shirt bags, create notecards to share a conservation message with others and learn how to bomb their yard with wildflower seeds! It will be an inspiring and exciting week!

Camp Wild: Fall Break Camp

6-10 Year Olds

Zoo Careers

October 7th-11th

Registration

Opens for everyone April 1st
Closes Wednesday, October 2, 2019

Ever wonder what it is like to work at a zoo? It's not just about taking care of animals! This week campers will get to beautify the grounds as they plant some plants around the zoo, prepare food and enrichment for some animals, share their animal knowledge with guests, sit in on some animal training sessions and even help diagnose a sick animal in a mock scenario. Come join us as we learn all the things it takes to make a zoo run.
