

Zoomobile / Virtual Community Programs

Amazing Adaptations Presentation

Discover how wildlife use special abilities to get the things they need to survive in this interactive program with live animals. Programs include three animals, animal biofacts (skins, skulls, etc.) and are approximately 45 minutes except as noted. Due to COVID-19, we are currently not allowing animals to be touched. Please contact us for the rest of our COVID-19 Policies.

Mileage Fees

All of the Zoomobile programs that include a program fee also include a mileage fee. The distance is calculated round-trip and the amounts below are totals.

0-40 miles <i>(includes all of Knox County)</i>	\$0
41-60 miles	\$15
61-80 miles	\$30
81-100 miles	\$70

Over 100 miles: add \$20 then add \$15 for each additional 20 miles round-trip, or contact us for a quote. Mileage is calculated using directions from Google Maps starting from 3500 Knoxville Zoo Dr. Multiply the distance by 2 to get the round-trip distance. If multiple routes are given, we use the route that has the shortest driving time.
