## Meet Your Wedding Coordinators

All Zoo Knoxville Wedding Packages include a personal coordinator that will guide you every step of the way from choosing your venues to walking down the aisle and everything in between.

- **Venue Tours:** Your coordinator will give you a private tour of all our prime ceremony, cocktail, and reception locations to find which combination is perfect for you.
- **Rental Meetings:** We will visit the showroom with you to decide linen colors, centerpiece ideas, chairs, archways, etc.
- **Taste Testing:** Your coordinator will introduce you to our preferred caterers where you can taste and chose your custom menu.
- **Final Meeting:** Now that all your big decisions are made, come in for a walk through of the zoo a month before your wedding day to visualize how it will flow.
- **Rehearsal Coordination:** Bring in the bridal party and family to practice. We will guide you through your ceremony.
- **Wedding Day Coordination:** Your coordinator will make sure everything moves smoothly and on time with other vendors, from set-up to walking down the aisle and event breakdown.

**Suzi Hall** has been with Zoo Knoxville for since 2015. After earning a degree in Ecology and Evolutionary Biology from University of Tennessee, she interned with Zoo Knoxville's Grasslands Department before finding her way to event planning. Suzi's favorite part of wedding day is taking freshly married couples for pictures between their ceremony and reception. She likes to see them relax and have fun with the animals now that they are married! Outside of work she coaches a segment of the UT Spirit Squad and enjoys running with her English Shepherd, Chase.

**Miranda Long** joined Zoo Knoxville in 2018. She has her Associate's degree in Business, and is working on her Bachelor's degree in Marketing. Miranda previously worked as a bridal stylist for two years. Her favorite part about a wedding is seeing all the personal touches that reflect the couple's personality.
