Zoo Knoxville's Wildly Fun Zoo Camp 2022

Camp Wild Spring & Fall Break Camps

Cost:
- $215/week for annual passholders and Circle of Friends members
- $245/week non-passholders/non-members
- 3-day camps are $140 for passholders/members and $160 for non-passholders/members

Details:
- Camper can attend a full week or a 3 day option for camp.
- Camp occurs Monday – Friday; half-weeks are Monday – Wednesday.
- 9:00am to 3:00pm for all age groups and camps
- Bring a sack lunch and snacks, drinks will be provided or purchase a lunch/snack option. See details below.
- Each camper will receive one camp shirt, a water bottle and backpack for each week of camp. Campers will be asked to wear their Zoo Camp shirt each day. Additional shirts may be purchased in advance for $12.
- Registration will close the Wednesday before each camp if it isn’t already full.

Masks:
We are currently recommending mask-wearing but not requiring it for the 2022 camp season. Please note this is subject to change as the COVID situation changes. If it is decided that masks will be needed to attend camp, cancellations due to conflicts with the mask requirements will be subject to the refund policy below.

New Lunch/Snack Option!
Now you can choose the option of your camper getting their lunch and morning snack added to your camper’s zoo camp registration. Lunch and snack options will be the same for each week of camp. There is a small and large lunch option for a variety of appetites. There are no substitutions, but campers are still welcomed to bring any additional food or snacks that they would like.

Small Lunch/Snack Option $35 for full week and $21 for three-day camps:

<table>
<thead>
<tr>

Registration:
Advance registration is required. Register online at zooknoxville.org. Other camper forms will be sent to you with your confirmation.
Registration opens:
- February 1st for annual passholders/Circle of Friends members.
- March 1st for non-passholders/non-CoF members.
Closes one week before each camp starts, if it isn’t already full.

All camps are designed to be age-appropriate, so please do not request to enroll children in other age categories including older or younger siblings. Children with special needs may require a personal chaperone to be provided.

All camps are held at Zoo Knoxville rain or shine. Programs fill quickly and are on a first-come, first-serve basis. Transfer a registration to another camp or a different camper: $15. Cancellations: until April 25th or 60 days before registered week of camp (whichever is later): Full refund minus $50 cancellation fee; After April 25th or between 60 days (whichever is later) and 30 days before registered week of camp: either $50 refund or transfer to another camper for $15 (parent must find replacement camper); Less than 30 days before registered week of camp: no refund. Prices subject to change without notice.

If you have questions, please contact zkfamily@zooknoxville.org.

Spring Break Camp
6-10 Year Olds
Venom vs. Poison: A Look at Some of the World’s Deadliest Creatures
March 14-18 (full week camp)
March 14-16 (3 day option)

Have you ever wondered how a poison dart frog gets its signature poisonous skin? Have you ever asked yourself, if a venomous snake bit another venomous snake, what would happen? Do you ever think about why some animals seem to be immune to the poisons and venoms of other organisms? This week, campers will learn the answers to all of these questions and more as they explore some of the world’s deadliest creatures. Campers will learn the difference between poison and venom through conducting experiments to see how poisons and venoms affect the body, studying how various venoms and poisons are used in everyday life, and even how some of the deadliest substances on Earth can also be used to create life-saving medicines!

Fall Break Camp
6-10 Year Olds
Fact or Folklore? Looking at the Mythical, the Magical, and the Real-Life Creatures that Inspired Them
October 10-14 (full week camp)
October 10-12 (3 day option)

Have you ever wondered where the idea of the cyclops came from? How about unicorns, dragons, or the Loch Ness monster? In this camp, campers will spend the week looking at folklore, myths, and urban legends from around the world and put their cryptozoology skills to work in figuring out what real-life creatures could have inspired the stories. Through activities such as setting up trail cameras, hunting for tracks and evidence of other animal presence, and putting their minds to work in identifying obscure biofacts such as animal furs, bones, and other body parts that may have stumped early explorers (and current scientists, too!)

If you have questions, please contact zkfamily@zooknoxville.org.
