Whether a single class, an entire grade or a whole school wants to experience the Zoomobile or the Virtual Zoomobile, we have programs to fit your needs. A variety of engaging and interactive programs are available for each group size. If you don’t see what you’re looking for, let us know. If we have the resources, we’ll create the program you need. See below for prices and program offerings. All prices are for the same day and location and we can offer up to 3 programs in the same day.
