Zoo-ber Eats

March 9-13

Zoo Knoxville is home to over 200 species and 1,500 animals—that's a lot of meals to deliver. See how zookeepers make our animals' dietary dreams come true as you learn about the interesting foods animals like to eat. Learn which animals enjoy bugs for breakfast, lettuce for lunch, and seeds for supper!

Fall Break Camp

6-10 Year Olds

Fact or Folklore?

October 5-9

Have you ever wondered where the idea of the cyclops came from? How about unicorns, dragons, or the Loch Ness monster? In this camp, campers will spend the week looking at folklore, myths, and urban legends from around the world and put their cryptozoology skills to work by figuring out what real-life creatures could have inspired the stories.
