Zoomobile School Programs

Whether a single class or multiple classes want to experience the Zoomobile, we have programs to fit your needs. An engaging and interactive program including a live animal is available for each group size. See below for prices and program offerings. All prices are for the same day and location. We can offer up to 3 programs in the same day. We do not offer programs for children under 2 yrs old. Questions: zkschool@zooknoxville.org

Classroom Programs (program topics listed below)

Maximum students per program: Pre-2nd: 25, 3rd-6th: 30, 7th-12th: 35
Zoomobile $105 1st Program $80 each additional program

Team Program- Animal Observers (only topic option)

Discover the unique adaptations of animals that help them to survive in the wild! This interactive program gives students the opportunity to put their skills of scientific observation to the test as they investigate a selection of unique biofacts (animal skins, bones, feathers, and more!) to figure out how each animal uses them to eat, move, defend themselves, and so much more!
This program is designed for multiple classes to attend at one time.

Maximum students per program: K-6th: 60, 7th-12th: 70
Zoomobile $140 1st program $115 each additional program

There is a gap fee for nonconsecutive programs of $25 per 30 min gap.

Mileage Fees for Zoomobile Programs

The distance is calculated round-trip and the amounts below are totals.

0-40 miles *(includes all of Knox County)*	$0
41-60 miles	$15
61-80 miles	$30
81-100 miles	$70
101-120miles	$105
121-140miles	$120

Mileage is calculated using directions from Google Maps starting from 3500 Knoxville Zoo Dr. Multiply the distance by 2 to get the round-trip distance. If multiple routes are given, we use the route that has the shortest driving time. We will not go further than 140 miles round trip.
